MEETING September 8TH 10 AM

PROGRAM INFORMATION AND MENU WILL APPEAR IN
SEPTEMBER NEWSLETTER

A MESSAGE FROM OUR PRESIDENT

July went by quickly. The high temperatures and high humidity giving us high heat indexes made it very uncomfortable to spend time outdoors. Staying inside with cool temperatures was welcome. The forecasters are telling us that we will experience cooler temperatures this week. That is welcome news.

I trust that you all are enjoying the summer months. I have enjoyed the time I have spent outdoors tending my flowers because it relaxes me and gives me enjoyment.

Janet Farrell has been working on a new method for the membership emailing their lunch reservations. She will be sending out all the pertinent information when she has the system perfected.

We received a thank you note from one of the recipients of our scholarships. Her name is Ashley Myers and she was grateful to receive the help.

Our first meeting is September 8th! I look forward to seeing all of you.

Regards,

Jane Waldemar

LINDEN GARDEN

Many thanks to Karen Herring, Lonnie Jurenko, Marie Homa, Janet Farrell and Ginny Fitch for raking, deadheading and weeding the garden! It looks great. Janet Farrell has been very diligent in ridding the gardenias of white flies. Thank you to Mike Garzo and his crew for cleaning up all the debris as well!
